Senator Scott Surovell

Re: Attached Resolution of the Mount Vernon Council of Citizens Associations re legislative priorities

Dear Senator Surovell,

With the administrative and legislative changes expected in 2026, we are hopeful that progress may be made particularly in environmental protection areas.

Accordingly, we attach a Resolution, approved November 19, 2025, highlighting several areas which need attention and requesting your assistance.

Very truly yours,

Mount Vernon Council of Citizens Associations

Re: Attached Resolution of the Mount Vernon Council of Citizens Associations re legislative priorities

Dear Delegate Krizek,

With the administrative and legislative changes expected in 2026, we are hopeful that progress may be made particularly in environmental protection areas.

Accordingly, we attach a Resolution, approved November 19, 2025, highlighting several areas which we believe need attention and requesting your assistance.

Very truly yours,

Mount Vernon Council of Citizens Associations
